

Classroom News

Teacher: Miss Kim

Month: October 2025

A Peek of Our Month: October

Well September is pretty much behind us.

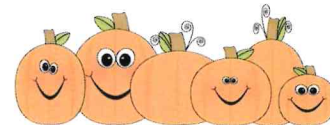

We made several "sea creatures" while learning about them.

We learned about apples and the fall season-with weather and animals changes.

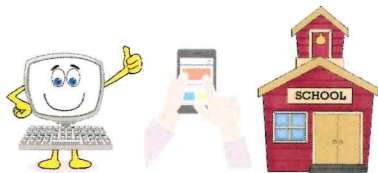

Reminders:

This week we made a number line on acorns covering the numbers 1-5. I encourage you to work with your child with number recognition associated with counting the quantities. Next Month we will do the numbers 1-10 on pumpkins.

Special Notes:

Please remember if your child will be out to please let me know either through ProCare, call the office (330) 467-4411, or text my cell (216) 213-4690.

Up Coming Events:

Trunk -or- Treat at the Day Care! Saturday
October 11th

2:00 PM- 4:00PM

Class Halloween Party

Friday October 31st

Sign Up Sheet coming soon!
