

# February

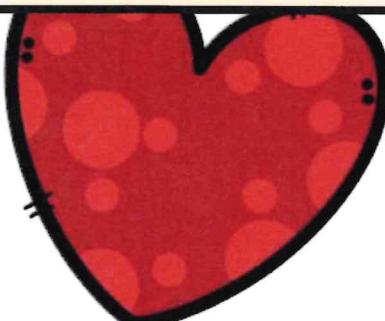

**Notes for Learning Lambs:** This month along with valentines and presidents we will be celebrating groundhogs. We will learn and talk about proper heart, dental, and bone health. We will also learn about what zoos do and who works there with the animals.

## Upcoming Events:

2 / 2- Groundhog's Day  
2 / 13 - Valentine's Party  
2/16 - President's Day - no school

## Share and Tell:

2/6 - Something that starts with Gg  
2/13- Something that starts with Xx  
2/20-Something that starts with Dd  
2/27- Something that starts with Zz

## Our learning focus this month:

Math – Counting beyond 50

ELA – Letters Gg, Xx, Dd, Zz and their sounds. Building vocabulary

Reading –Listen and retell a story ( both fiction & nonfiction). Nursery Rhymes and poems.

Writing – Writing our names and letters of the week upper and lower case

Social Studies - Making Friends, Groundhog, Valentine, and Presidents Day

Science – Heart, dental, & bone health

Health - Heart, dental, & bone health

Social Emotional Learning- Conflict resolution

Feb. 1, 2026

Hello Parents,

Just a quick note to let you know how our Valentine's Day party will go. I have all of the juice boxes and cookies. We will decorate cookies that day. I also have games and music planned. We have created Valentine boxes for each student. Students have voted and decided to wear something red, pink, or purple that day. Students can bring in a Valentine and / or a treat for each student in their class. The dates for the parties and the lists of student names are provided below. Thanks again for your time and attention to these matters.

Ms. Dawn
